Brazing & Soldering

OK-BRAZE Joining & Automation

- Brazing & Soldering **filler metals**
- **PASTE ALLOYS** for Brazing & Soldering
- High Temperature and Silver Brazing (Manual, Automatic and Furnace) **Fluxes**
- **Gasflux dispensing equipment**
- brazing **automation**,
- manuel brazing **torches, nozzles,**

- Oxy Gas-MIG-TIG Welding **gas regulators**
- gas distribution systems and Process **Safety equipment** (flashback arrestors and check valves),
- **Aluminium-Stainless Steel-Copper- Bronz MIG/TIG wires,**
- MIG/TIG Weld Parameter Measurement Equipment

Standard Fusion Brazing & Soldering Alloys

Filler	Pre-Copper
Tin/Silver	Copper
Lead-Free	Aluminum
Silver	Nickel
Cadmium-Free	Gold
Silver
